

ALEX HOTEL

Welcome to Alex. A hotel created to provide the inquisitive traveller homely comforts within the most vibrant of Perth's neighbourhoods.

Within our walls we love to share our dedication to delicious food, interesting wines, craft beers, artisan spirits, good reads, and the smell of great locally roasted coffee. Friendly and inviting lounge and rooftop areas give plenty of opportunity to relax or find a workspace, while thoughtfully crafted bedrooms provide quiet sanctuary.

Outside our walls, the city centre is 5 minutes walk and the excitement of Perth's cultural precinct is on your doorstep. Let us share our local knowledge as to the best in eating, drinking and entertainment the area has to offer.

Blankets

Feel the cold or doona not your thing? We have plenty of spare blankets on hand. Just give us a call and we will deliver to your door.

Breakfast

It's important to start the day well. A la carte breakfast is served in the lobby and mezzanine from 7am – 12pm each day.

Car Parking

While we don't have our own parking, if you've got a car there are a number of paid parking facilities close by. Click [here](#) for details of all the car parks close to the hotel.

The most convenient Parking is the [State Library car park](#), off Francis Street just next door.

Just remember not all the car parks are open 24 hours, so if you need to get in late or out early please check before parking. If in doubt, let us know and we can point you in the right direction.

Check out

We're a reasonable bunch when it comes to check out time, officially its 12 midday but if you need a bit more time let us know and we'll see what we can do.

Coffee and Tea

While we don't have mini bars or kettles in the room, you'll find complimentary French press coffee, great loose leaf tea and fresh milk in the Mezzanine Lounge Pantry. Feel free to help yourself at any time of the day or night and we're completely cool with you taking a cuppa back to your room.

Our Lobby Espresso bar is always open, so if you're craving a great locally roasted coffee come and see us we'll sort you out.

Eco tactics

We are currently partnering with the team at Wright Solutions to better manage our waste. Using organic composting, rubbish sorting, and detailed recycling, we successfully divert approximately 70% of our waste away from landfill. You can help us by separating your recyclables from other waste, ready for collection by housekeeping. We may also notice that we have multiple bins in the mezzanine and on the rooftop for the same purpose.

Events

If you've got a little event or soiree in mind, we'd be more than happy to help you put something together. Our 6th floor meeting room and outdoor terrace are available for a range of events, with catering available from Shadow Wine Bar. Feel free to get in touch with us to discuss what you had in mind.

Need some florals to brighten up the room? Give us a call and we can arrange same day delivery from our friends at Beans and Bunches, open every day except Sundays.
